

Instructions for Form W-8BEN-E

(Rev. April 2016)

Certificate of Status of Beneficial Owner for United States Tax Withholding and Reporting (Entities)

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form W-8BEN-E and its instructions, such as legislation enacted after they were published, go to www.irs.gov/formw8bene.

What's New

Limitation on benefits (LOB) for treaty claims. In order to claim treaty benefits, an entity must not only be a resident of the treaty country but also derive and beneficially own the item of income as well as satisfy the limitation on benefits (LOB) article of that treaty, if any. New checkboxes have been added to Part III (Claim of Tax Treaty Benefits) for each of the main tests that can be met to satisfy an LOB provision. A taxpayer is required to check the relevant box associated with the LOB test it meets with respect to the treaty benefits associated with this form, or to check a box that it has obtained a favorable discretionary determination from the U.S. competent authority that it qualifies for the treaty benefits associated with this form.

Accounts that are not financial accounts. A new checkbox has been added to the chapter 4 statuses in line 5 for payments made to payees for accounts they hold that are not financial accounts under Regulations section 1.1471-5(b)(2).

Nonreporting IGA FFIs. The instructions for how nonreporting IGA FFIs should properly document themselves on this form and certify to their status have been revised to coordinate qualification for such status under the IGA with the chapter 4 regulations. An FFI that meets the requirements of both a nonreporting IGA FFI under the IGA and a deemed-compliant FFI status under the regulations should certify as a nonreporting IGA FFI, unless such entity meets the requirements for owner-documented FFI status for payments associated with this form, in which case it should certify to that status under the regulations only by completing Part X of the form.

Reminder

Note. If you are a resident in a FATCA partner jurisdiction (i.e., a Model 1 IGA jurisdiction with reciprocity), certain tax account information may be provided to your jurisdiction of residence.

General Instructions

For definitions of terms used throughout these instructions, see *Definitions*, later.

Purpose of Form

This form is used by foreign entities to document their status for purposes of chapter 3 and chapter 4, as well as for certain other Code provisions as described later in these instructions.

Foreign persons are subject to U.S. tax at a 30% rate (the foreign-person withholding rate) on income they receive from U.S. sources that consists of:

- Interest (including certain original issue discount (OID));
 - Dividends;
 - Rents;
 - Royalties;
 - Premiums;
 - Annuities;
 - Compensation for, or in expectation of, services performed;
 - Substitute payments in a securities lending transaction;
- or
- Other fixed or determinable annual or periodical gains, profits, or income.

This tax is imposed on the gross amount paid and is generally collected by withholding under section 1441 or 1442 on that amount. A payment is considered to have been made whether it is made directly to the beneficial owner or to another person, such as an intermediary, agent, or partnership, for the benefit of the beneficial owner.

In addition, section 1446 requires a partnership conducting a trade or business in the United States to withhold tax on a foreign partner's distributive share of the partnership's effectively connected taxable income. Generally, a foreign person that is a partner in a partnership that submits a Form W-8 for purposes of section 1441 or 1442 will satisfy the documentation requirements under section 1446 as well. However, in some cases the documentation requirements of sections 1441 and 1442 do not match the documentation requirements of section 1446. See Regulations sections 1.1446-1 through 1.1446-6. Further, the owner of a disregarded entity, rather than the disregarded entity itself, submits the appropriate Form W-8 for purposes of section 1446.

A withholding agent or payer of the income may rely on a properly completed Form W-8BEN-E to treat a payment associated with the Form W-8BEN-E as a payment to a foreign person who beneficially owns the amounts paid. If

applicable, the withholding agent may rely on the Form W-8BEN-E to apply a reduced rate of, or exemption from, withholding. If you receive certain types of income, you must provide Form W-8BEN-E to:

- Claim that you are the beneficial owner of the income for which Form W-8BEN-E is being provided or a partner in a partnership subject to section 1446; and
- If applicable, claim a reduced rate of, or exemption from, withholding as a resident of a foreign country with which the United States has an income tax treaty that is eligible for treaty benefits.

You may also use Form W-8BEN-E to identify income from a notional principal contract that is not effectively connected with the conduct of a trade or business in the United States to establish the exception to reporting such income on Form 1042-S. See Regulations section 1.1461-1(c)(2)(ii)(F).

Form W-8BEN-E may also be used to claim exemption from withholding for portfolio interest pursuant to section 881(c). The portfolio interest exemption does not apply to payments of interest for which the recipient is a 10 percent shareholder of the payer or to payments of interest received by a controlled foreign corporation from a related person. See sections 881(c)(3) and 881(c)(5). A future version of this form may require that persons receiving interest payments to which this form relates identify any obligation with respect to which they have one of these prohibited relationships.

You may also be required to submit Form W-8BEN-E to claim an exception from domestic information reporting on Form 1099 and backup withholding (at the backup withholding rate under section 3406) for certain types of income. Such income includes:

- Broker proceeds.
- Short-term (183 days or less) original issue discount (short-term OID).
- Bank deposit interest.
- Foreign source interest, dividends, rents, or royalties.

Provide Form W-8BEN-E to the withholding agent or payer before income is paid or credited to you. Failure to provide a Form W-8BEN-E when requested may lead to withholding at a 30% rate (foreign-person withholding rate) or the backup withholding rate in certain cases when you receive a payment to which backup withholding applies.

In addition to the requirements of chapter 3, chapter 4 requires withholding agents to identify the chapter 4 status of entities that are payees receiving withholdable payments (see the instructions for Part I, line 5, of this form, later). A withholding agent may request this Form W-8BEN-E to establish your chapter 4 status and avoid withholding at a 30% rate (the chapter 4 rate) on such payments. Withholding on withholdable payments under chapter 4 generally began on July 1, 2014.

Chapter 4 also requires participating FFIs and certain registered deemed-compliant FFIs to document their entity account holders in order to determine their chapter 4 status regardless of whether withholding applies to any payments made to the entities. If you are an entity maintaining an account with an FFI, the FFI may request

that you provide this Form W-8BEN-E in order to document your chapter 4 status.

Additional information. For additional information and instructions for the withholding agent, see the Instructions for the Requester of Forms W-8BEN, W-8BEN-E, W-8ECI, W-8EXP, and W-8IMY.

Who Must Provide Form W-8BEN-E

You must give Form W-8BEN-E to the withholding agent or payer if you are a foreign entity receiving a withholdable payment from a withholding agent, receiving a payment subject to chapter 3 withholding, or if you are such an entity maintaining an account with an FFI requesting this form.

Do not use Form W-8BEN-E if you are described below.

- You are U.S. person (including U.S. citizens, resident aliens, and entities treated as U.S. persons, such as a corporation organized under the law of a state). Instead, use Form W-9, Request for Taxpayer Identification Number and Certification.
- You are a foreign insurance company that has made an election under section 953(d) to be treated as a U.S. person. Instead, provide a withholding agent with Form W-9 to certify to your U.S. status even if you are considered an FFI for purposes of chapter 4.
- You are a nonresident alien individual. Instead, use Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Individuals), or Form 8233, Exemption From Withholding on Compensation for Independent (and Certain Dependent) Personal Services of a Nonresident Alien Individual, as applicable.
- You are a disregarded entity, branch, or flow-through entity for U.S. tax purposes. However, you may use this form if you are a disregarded entity or flow-through entity using this form only either solely to document your chapter 4 status (because you hold an account with an FFI requesting this form) or, if you are a disregarded entity or a partnership, to claim treaty benefits because you are a hybrid entity liable to tax as a resident for treaty purposes. See *Special Instructions for Hybrid Entities*, later. A flow-through entity may also use this form solely for purposes of documenting itself as a participating payee for purposes of section 6050W. If you are a disregarded entity with a single owner or branch of an FFI, the single owner, if such owner is a foreign person, should provide Form W-8BEN or Form W-8BEN-E (as appropriate). Note, however, that the single entity owner may be required to identify the branch (including a disregarded entity) in Part II of the owner's Form W-8BEN-E and, in some cases, provide the legal name of the disregarded entity in Part I, line 3 (see the specific instructions for line 3, later). If the single owner is a U.S. person, a Form W-9 should be provided. If you are a partnership, you should provide a Form W-8IMY.
- You are acting as an intermediary (that is, acting not for your own account, but for the account of others as an agent, nominee, or custodian), a qualified intermediary (including a qualified intermediary acting as a qualified derivatives dealer), or a qualified securities lender (QSL) with regard to a payment of U.S. source substitute

dividends. Instead, provide Form W-8IMY, Certificate of Foreign Intermediary, Foreign Flow-Through Entity, or Certain U.S. Branches for United States Tax Withholding and Reporting.

- You are receiving income that is effectively connected with the conduct of a trade or business in the United States, unless it is allocable to you through a partnership. Instead, provide Form W-8ECI, Certificate of Foreign Person's Claim That Income Is Effectively Connected With the Conduct of a Trade or Business in the United States. If any of the income for which you have provided a Form W-8BEN-E becomes effectively connected, this is a change in circumstances and the Form W-8BEN-E is no longer valid. You must provide Form W-8ECI. See *Change in circumstances*, later.
- You are filing for a foreign government, international organization, foreign central bank of issue, foreign tax-exempt organization, foreign private foundation, or government of a U.S. possession claiming the applicability of section 115(2), 501(c), 892, 895, or 1443(b). Instead, provide Form W-8EXP, Certificate of Foreign Government or Other Foreign Organization for United States Tax Withholding and Reporting, to certify as to your exemption and identify your applicable chapter 4 status. However, provide Form W-8BEN-E if you are claiming treaty benefits, providing this form only to claim you are a foreign person exempt from backup withholding, or providing this form solely to document your chapter 4 status. For example, a foreign tax-exempt organization under section 501(c) receiving royalty income that is not exempt because it is taxable as unrelated business income but is eligible for a reduced rate of withholding under a royalty article of a tax treaty should provide Form W-8BEN-E. You should use Form W-8ECI if you are receiving effectively connected income (for example, income from commercial activities that is not exempt under an applicable section of the Code).
- You are a foreign reverse hybrid entity transmitting documentation provided by your interest holders to claim treaty benefits on their behalf. Instead, provide Form W-8IMY. A foreign reverse hybrid entity also may not use this form to attempt to claim treaty benefits on its own behalf. See *Foreign Reverse Hybrid Entities*, later.
- You are a withholding foreign partnership or a withholding foreign trust within the meaning of sections 1441 and 1442 and the accompanying regulations. A withholding foreign partnership or a withholding foreign trust is a foreign partnership or trust that has entered into a withholding agreement with the IRS under which it agrees to assume primary withholding responsibility for each partner's, beneficiary's, or owner's distributive share of income subject to withholding under chapters 3 and 4 that is paid to the partnership or trust. Instead, provide Form W-8IMY.
- You are a foreign partnership or foreign grantor trust providing documentation for purposes of section 1446. Instead, provide Form W-8IMY and accompanying documentation. See Regulations sections 1.1446-1 through 1.1446-6.
- You are a foreign branch of a U.S. financial institution that is an FFI (other than a qualified intermediary branch) under an applicable Model 1 IGA. For purposes of

identifying yourself to withholding agents, you may submit Form W-9 to certify to your U.S. status.

Giving Form W-8BEN-E to the withholding agent. Do not send Form W-8BEN-E to the IRS. Instead, give it to the person who is requesting it from you. Generally, this will be the person from whom you receive the payment, who credits your account, or a partnership that allocates income to you. An FFI may also request this form from you to document the status of your account.

When to provide Form W-8BEN-E to the withholding agent. Give Form W-8BEN-E to the person requesting it before the payment is made to you, credited to your account, or allocated. If you do not provide this form, the withholding agent may have to withhold at the 30% rate (as applicable under chapters 3 or 4), backup withholding rate, or the rate applicable under section 1446. If you receive more than one type of income from a single withholding agent for which you claim different benefits, the withholding agent may, at its option, require you to submit a Form W-8BEN-E for each different type of income. Generally, a separate Form W-8BEN-E must be given to each withholding agent.

Note. If you own the income with one or more other persons, the income will be treated by the withholding agent as owned by a foreign person that is a beneficial owner of a payment only if Form W-8BEN or W-8BEN-E (or other applicable document) is provided by each of the owners. An account will be treated as a U.S. account for chapter 4 purposes by an FFI requesting this form if any of the account holders is a specified U.S. person or a U.S.-owned foreign entity (unless the account is otherwise excepted from U.S. account status for chapter 4 purposes).

Change in circumstances. If a change in circumstances makes any information on the Form W-8BEN-E you have submitted incorrect for purposes of either chapter 3 or chapter 4, you must notify the withholding agent or financial institution maintaining your account within 30 days of the change in circumstances by providing the documentation required in Regulations section 1.1471-3(c)(6)(ii)(E)(2). See Regulations sections 1.1441-1(e)(4)(ii)(D) for the definition of a change in circumstances for purposes of chapter 3. See Regulations section 1.1471-3(c)(6)(ii)(E) for the definition of a change in circumstances for purposes of chapter 4.

With respect to an FFI claiming a chapter 4 status under an applicable IGA, a change in circumstances includes when the jurisdiction where the FFI is organized or resident (or the jurisdiction identified in Part II of the form) was included on the list of jurisdictions treated as having an intergovernmental agreement in effect and is removed from that list or when the FATCA status of the jurisdiction changes (e.g., from Model 2 to Model 1). The list of agreements is maintained at www.treasury.gov/resource-center/tax-policy/treaties/Pages/FATCA-Archive.aspx.

Expiration of Form W-8BEN-E. Generally, a Form W-8BEN-E will remain valid for purposes of both chapters 3 and 4 for a period starting on the date the form is signed and ending on the last day of the third succeeding calendar year, unless a change in circumstances makes

any information on the form incorrect. For example, a Form W-8BEN signed on September 30, 2014 remains valid through December 31, 2017.

However, under certain conditions a Form W-8BEN-E will remain in effect indefinitely until a change of circumstances occurs. To determine the period of validity for Form W-8BEN-E for purposes of chapter 4, see Regulations section 1.1471-3(c)(6)(ii). To determine the period of validity for Form W-8BEN-E for purposes of chapter 3, see Regulations section 1.1441-1(e)(4)(ii).

Definitions

Account holder. An account holder is generally the person listed or identified as the holder or owner of a financial account. For example, if a partnership is listed as the holder or owner of a financial account, then the partnership is the account holder, rather than the partners of the partnership. However, an account that is held by a disregarded entity (other than a disregarded entity treated as an FFI for chapter 4 purposes) is treated as held by the person owning the entity.

Amounts subject to withholding under chapter 3. Generally, an amount subject to chapter 3 withholding is an amount from sources within the United States that is fixed or determinable annual or periodical (FDAP) income. FDAP income is all income included in gross income, including interest (as well as OID), dividends, rents, royalties, and compensation. Amounts subject to chapter 3 withholding do not include amounts that are not FDAP, such as most gains from the sale of property (including market discount and option premiums), as well as other specific items of income described in Regulations section 1.1441-2 (such as interest on bank deposits and short-term OID).

For purposes of section 1446, the amount subject to withholding is the foreign partner's share of the partnership's effectively connected taxable income.

Beneficial owner. For payments other than those for which a reduced rate of, or exemption from, withholding is claimed under an income tax treaty, the beneficial owner of income is generally the person who is required under U.S. tax principles to include the payment in gross income on a tax return. A person is not a beneficial owner of income, however, to the extent that person is receiving the income as a nominee, agent, or custodian, or to the extent the person is a conduit whose participation in a transaction is disregarded. In the case of amounts paid that do not constitute income, beneficial ownership is determined as if the payment were income.

Foreign partnerships, foreign simple trusts, and foreign grantor trusts are not the beneficial owners of income paid to the partnership or trust. The beneficial owners of income paid to a foreign partnership are generally the partners in the partnership, provided that the partner is not itself a partnership, foreign simple or grantor trust, nominee or other agent. The beneficial owners of income paid to a foreign simple trust (that is, a foreign trust that is described in section 651(a)) are generally the beneficiaries of the trust, if the beneficiary is not a foreign partnership, foreign simple or grantor trust, nominee, or other agent. The beneficial owners of income paid to a

foreign grantor trust (that is, a foreign trust to the extent that all or a portion of the income of the trust is treated as owned by the grantor or another person under sections 671 through 679) are the persons treated as the owners of the trust. The beneficial owners of income paid to a foreign complex trust (that is, a foreign trust that is not a foreign simple trust or foreign grantor trust) is the trust itself.

For purposes of section 1446, the same beneficial owner rules apply, except that under section 1446 a foreign simple trust rather than the beneficiary provides the form to the partnership.

The beneficial owner of income paid to a foreign estate is the estate itself.

Note. A payment to a U.S. partnership, U.S. trust, or U.S. estate is treated as a payment to a U.S. payee that is not subject to 30% withholding for purposes of chapter 3 and chapter 4. A U.S. partnership, trust, or estate should provide the withholding agent with a Form W-9. For purposes of section 1446, a U.S. grantor trust or disregarded entity shall not provide the withholding agent a Form W-9 in its own right. Rather, the grantor or other owner shall provide the withholding agent the appropriate form.

Chapter 3. Chapter 3 means chapter 3 of the Internal Revenue Code (Withholding of Tax on Nonresident Aliens and Foreign Corporations). Chapter 3 contains sections 1441 through 1464.

Chapter 4. Chapter 4 means chapter 4 of the Internal Revenue Code (Taxes to Enforce Reporting on Certain Foreign Accounts). Chapter 4 contains sections 1471 through 1474.

Chapter 4 status. The term chapter 4 status means a person's status as a U.S. person, specified U.S. person, foreign individual, participating FFI, deemed-compliant FFI, restricted distributor, exempt beneficial owner, nonparticipating FFI, territory financial institution, excepted NFFE, or passive NFFE. See Regulations section 1.1471-1(b) for the definitions of these terms.

Deemed-compliant FFI. Under section 1471(b)(2), certain FFIs are deemed to comply with the regulations under chapter 4 without the need to enter into an FFI agreement with the IRS. However, certain deemed-compliant FFIs are required to register with the IRS and obtain a GIIN. These FFIs are referred to as **registered deemed-compliant FFIs**. See Regulations section 1.1471-5(f)(1).

Disregarded entity. A business entity that has a single owner and is not a corporation under Regulations section 301.7701-2(b) is disregarded as an entity separate from its owner. Generally, a disregarded entity does not submit this Form W-8BEN-E to a withholding agent or FFI. Instead, the owner of such entity provides the appropriate documentation (for example, a Form W-8BEN-E if the owner is a foreign entity). See Regulations section 1.1446-1 and section 1.1471-3(a)(3)(v), respectively. However, if a disregarded entity receiving a withholdable payment is an FFI outside the single owner's country of organization or has its own GIIN, its foreign owner will be required to complete Part II of Form W-8BEN-E to

document the chapter 4 status of the disregarded entity receiving the payment.

Certain entities that are disregarded for U.S. tax purposes may be treated as a treaty resident for purposes of claiming treaty benefits under an applicable tax treaty (see the definition of hybrid entity, later) or may be recognized as an FFI under an applicable IGA (see instructions for line 3, later, for when this applies). A hybrid entity claiming treaty benefits on its own behalf is required to complete this Form W-8BEN-E. See *Hybrid Entities* under *Special Instructions*, later.

A disregarded entity with a U.S. owner or a disregarded entity with a foreign owner that is not otherwise able to fill out Part II (i.e., because it is in the same country as its single owner and does not have a GIIN) may provide this form to an FFI solely for purposes of documenting itself for chapter 4 purposes. In such a case, the disregarded entity should complete Part I as if it were a beneficial owner and should not complete line 3.

Financial account. A financial account includes:

- A depository account maintained by an FFI;
- A custodial account maintained by an FFI;
- Equity or debt interests (other than interests regularly traded on an established securities market) in investment entities and certain holding companies, treasury centers, or financial institutions as defined in Regulations section 1.1471-5(e);
- Certain cash value insurance contracts; and
- Annuity contracts.

For purposes of chapter 4, exceptions are provided for accounts such as certain tax-favored savings accounts, term life insurance contracts, accounts held by estates, escrow accounts, and certain annuity contracts. These exceptions are subject to certain conditions. See Regulations section 1.1471-5(b)(2). Accounts may also be excluded from the definition of financial account under an applicable IGA.

Financial institution. A financial institution generally means an entity that is a depository institution, custodial institution, investment entity, or an insurance company (or holding company of an insurance company) that issues cash value insurance or annuity contracts. See Regulations section 1.1471-5(e).

Foreign financial institution (FFI). A foreign financial institution (FFI) generally means a foreign entity that is a financial institution.

Fiscally transparent entity. An entity is treated as fiscally transparent with respect to an item of income for which treaty benefits are claimed to the extent that the interest holders in the entity must, on a current basis, take into account separately their shares of an item of income paid to the entity, whether or not distributed, and must determine the character of the items of income as if they were realized directly from the sources from which realized by the entity. For example, partnerships, common trust funds, and simple trusts or grantor trusts are generally considered to be fiscally transparent with respect to items of income received by them.

Flow-through entity. A flow-through entity is a foreign partnership (other than a withholding foreign partnership),

a foreign simple or foreign grantor trust (other than a withholding foreign trust), or, for payments for which a reduced rate of, or exemption from, withholding is claimed under an income tax treaty, any entity to the extent the entity is considered to be fiscally transparent (see above) with respect to the payment by an interest holder's jurisdiction.

For purposes of section 1446, a foreign partnership or foreign grantor trust must submit Form W-8IMY to establish the partnership or grantor trust as a look-through entity. The Form W-8IMY may be accompanied by this form or another version of Form W-8 or Form W-9 to establish the foreign or domestic status of a partner or grantor or other owner. See Regulations section 1.1446-1.

Foreign person. A foreign person includes a foreign corporation, a foreign partnership, a foreign trust, a foreign estate, and any other person that is not a U.S. person. It also includes a foreign branch or office of a U.S. financial institution or U.S. clearing organization if the foreign branch is a qualified intermediary (QI). Generally, a payment to a U.S. branch of a foreign person is a payment to a foreign person.

GIIN. The term GIIN means a global intermediary identification number. A GIIN is the identification number assigned to an entity that has registered with the IRS for chapter 4 purposes.

Hybrid entity. A hybrid entity is any person (other than an individual) that is treated as fiscally transparent (rather than as a beneficial owner) for purposes of declaring status under the Code but is not treated as fiscally transparent by a country with which the United States has an income tax treaty. Hybrid entity status is relevant for claiming treaty benefits. A hybrid entity, is, however, required to provide its chapter 4 status if it is receiving a withholdable payment.

Intergovernmental agreement (IGA). An intergovernmental agreement (IGA) means a Model 1 IGA or a Model 2 IGA. For a list of jurisdictions treated as having in effect a Model 1 or Model 2 IGA, see www.treasury.gov/resource-center/tax-policy/treaties/Pages/FATCA-Archive.aspx.

A **Model 1 IGA** means an agreement between the U.S. or the Treasury Department and a foreign government or one or more agencies to implement FATCA through reporting by FFIs to such foreign government or agency thereof, followed by automatic exchange of the reported information with the IRS. An FFI in a Model 1 IGA jurisdiction that performs account reporting to the jurisdiction's government is referred to as a **reporting Model 1 FFI**.

A **Model 2 IGA** means an agreement or arrangement between the U.S. or the Treasury Department and a foreign government or one or more agencies to implement FATCA through reporting by FFIs directly to the IRS in accordance with the requirements of an FFI agreement, supplemented by the exchange of information between such foreign government or agency thereof and the IRS. An FFI in a Model 2 IGA jurisdiction that has entered into an FFI agreement is a participating FFI, but may be referred to as a **reporting Model 2 FFI**. The term

reporting IGA FFI refers to both reporting Model 1 FFIs and reporting Model 2 FFIs.

Limited branch. A limited branch means a branch of a participating FFI that is described in Regulations section 1.1471-4(e)(2).

Nonparticipating FFI. A nonparticipating FFI means an FFI that is not a participating FFI, deemed-compliant FFI, or exempt beneficial owner.

Participating FFI. A participating FFI is an FFI (including a reporting Model 2 FFI covered by an FFI agreement) that has agreed to comply with the terms of an FFI agreement. The term participating FFI also includes a QI branch of a U.S. financial institution, unless such branch is a reporting Model 1 FFI.

Participating payee. A participating payee means any person that accepts a payment card as payment or accepts payment from a third party settlement organization in settlement of a third party network transaction for purposes of section 6050W.

Payee. A payee is generally a person to whom a payment is made, regardless of whether such person is the beneficial owner. For a payment made to a financial account, the payee is generally the holder of the financial account. However, under certain circumstances a person who receives a payment will not be considered the payee. For purposes of chapter 3, see Regulations section 1.1441-1(b)(2). For purposes of chapter 4, see Regulations section 1.1471-3(a)(3).

Payment settlement entity (PSE). A payment settlement entity is a merchant acquiring entity or third party settlement organization. Under section 6050W, a PSE is generally required to report payments made in settlement of payment card transactions or third party network transactions. However, a PSE is not required to report payments made to a beneficial owner that is documented as foreign with an applicable W-8.

Qualified intermediary (QI). A qualified intermediary (QI) (as described in Regulations section 1.1441-1(e)(5)(ii)) is a person that is a party to an agreement with the IRS that is described in Regulations section 1.1441-1(e)(5)(iii). A **qualified derivatives dealer** is a QI that has agreed to certain reporting and withholding requirements pursuant to Regulations section 1.1441-1(e)(6).

Recalcitrant account holder. A recalcitrant account holder for purposes of chapter 4 includes an entity (other than an entity required to be treated as a nonparticipating FFI by the withholding agent) that fails to comply with a request by an FFI maintaining the account for documentation and information for determining whether the account is a U.S. account (as defined in Regulations section 1.1471-5(a)). See Regulations section 1.1471-5(g).

Reverse hybrid entity. A reverse hybrid entity is any person (other than an individual) that is not fiscally transparent under U.S. tax law principles but that is fiscally transparent under the laws of a jurisdiction with which the United States has an income tax treaty. See Form W-8IMY and accompanying instructions for

information on a reverse hybrid entity making a claim of treaty benefits on behalf of its owners.

Specified U.S. person. A specified U.S. person is any U.S. person other than a person identified in Regulations section 1.1473-1(c).

Substantial U.S. owner. A substantial U.S. owner (as defined in Regulations section 1.1473-1(b)) means any specified U.S. person that:

- Owns, directly or indirectly, more than 10 percent (by vote or value) of the stock of any foreign corporation;
- Owns, directly or indirectly, more than 10 percent of the profits or capital interests in a foreign partnership;
- Is treated as an owner of any portion of a foreign trust under sections 671 through 679; or
- Holds, directly or indirectly, more than a 10 percent beneficial interest in a trust.

An investment entity organized in a territory that is not also a depository institution, custodial institution, or specified insurance company is not treated as a financial institution. Instead, it is a territory NFFE. If such an entity cannot qualify as an excepted NFFE as described in Regulations section 1.1472-1(c)(1) (including an excepted territory NFFE), it must disclose its substantial U.S. owners using this definition (applying the 10 percent threshold) under Regulations section 1.1473-1(b)(1).

U.S. person. A U.S. person is defined in section 7701(a)(30) and includes domestic partnerships, corporations, and trusts.

Certain foreign insurance companies issuing annuities or cash value insurance contracts that elect to be treated as a U.S. person for federal tax purposes but are not licensed to do business in the United States are treated as FFIs for purposes of chapter 4. For purposes of providing a withholding agent with documentation for both chapter 3 and chapter 4 purposes, however, such an insurance company is permitted to use Form W-9 to certify its status as a U.S. person. Likewise, a foreign branch of a U.S. financial institution (other than a branch that operates as a qualified intermediary) that is treated as an FFI under an applicable IGA is permitted to use Form W-9 to certify its status as a U.S. person for chapter 3 and chapter 4 purposes.

Withholdable payment. Withholding under chapter 4 may apply to payments of U.S. source FDAP income that are withholdable payments as defined in Regulations section 1.1473-1(a) to which an exception does not apply under chapter 4. The exceptions from withholding provided for under chapter 3 are not applicable when determining whether withholding applies under chapter 4. For exceptions applicable to the definition of a withholdable payment, see Regulations section 1.1473-1(a)(4) (exempting, for example, certain nonfinancial payments).

Withholding agent. Any person, U.S. or foreign, that has control, receipt, custody, disposal, or payment of U.S. source FDAP income subject to chapter 3 or 4 withholding is a withholding agent. The withholding agent may be an individual, corporation, partnership, trust, association, or any other entity, including (but not limited to) any foreign

intermediary, foreign partnership, and U.S. branches of certain foreign banks and insurance companies.

For purposes of section 1446, the withholding agent is the partnership conducting the trade or business in the United States. For a publicly traded partnership, the withholding agent may be the partnership, a nominee holding an interest on behalf of a foreign person, or both. See Regulations sections 1.1446-1 through 1.1446-6.

Specific Instructions

 **TIP** *A hybrid entity should give Form W-8BEN-E on its own behalf to a withholding agent only for income for which it is claiming a reduced rate of withholding under an income tax treaty or to document its chapter 4 status for purposes of maintaining an account with an FFI requesting this form (when it is not receiving withholdable payments or payments subject to chapter 3 withholding). Otherwise, an entity treated as a flow-through entity should generally provide Form W-8IMY for chapter 3 or chapter 4 purposes. A reverse hybrid entity should give Form W-8BEN-E on its own behalf to a withholding agent only for income for which no treaty benefit is being claimed or to establish its status for chapter 4 purposes (when required). See the special instructions for hybrid entities and reverse hybrid entities below. However, a flow-through entity may provide this Form W-8BEN-E to document its foreign status as a participating payee receiving a payment for purposes of section 6050W.*

Part I – Identification of Beneficial Owner

Line 1. Enter your name. If you are a disregarded entity or branch, do not enter the business name of the disregarded entity or branch here. Instead, enter the legal name of the entity that owns the disregarded entity (looking through multiple disregarded entities if applicable) or maintains the branch. If you are a disregarded entity that is a hybrid entity filing a treaty claim, however, see *Hybrid entities* under *Special Instructions*, later.

 **TIP** *If you are an account holder (see Definitions, earlier or, in the case of an account holder of an account maintained by an FFI covered by a Model 1 or Model 2 IGA with respect to the account, an applicable IGA) providing this form to an FFI solely for purposes of documenting yourself as an account holder and you are not receiving a withholdable payment or reportable amount (as defined in Regulations section 1.1441-1(e)(3)(vi)), you should complete Part I by substituting the references to “beneficial owner” with “account holder”.*

 **CAUTION** *The holder of an account is not always the account holder for purposes of chapter 4. See Definitions, earlier or, for an account maintained by an FFI covered by a Model 1 or Model 2 IGA with respect to the account, the definition of account holder in an applicable IGA to determine if you are the account holder. If you hold an account with an FFI and are unsure*

whether the definition of “account holder” under an IGA is applicable to your account, consult with the FFI requesting this form.

Line 2. If you are a corporation, enter your country of incorporation. If you are another type of entity, enter the country under whose laws you are created, organized, or governed.

Line 3. If you are a disregarded entity receiving a withholdable payment, enter your name (if required). You should complete line 3 **only** if you are a disregarded entity receiving a withholdable payment or hold an account with an FFI requesting this form and you: 1) have registered with the IRS and been assigned a GIIN associated with the legal name of the disregarded entity; 2) are a reporting Model 1 FFI or reporting Model 2 FFI; and 3) are not a hybrid entity using this form to claim treaty benefits.

 **CAUTION** *If you are not required to provide the legal name of the disregarded entity, however, you may want to notify the withholding agent that you are a disregarded entity receiving a payment or maintaining an account by indicating the name of the disregarded entity on line 10. However, do not enter the name of the disregarded entity on this line 3 except in the circumstances described.*

Line 4. Check the one box that applies. By checking a box, you are representing that you qualify for the classification indicated. You must check the box that represents your classification (for example, corporation, partnership, trust, estate, etc.) under U.S. tax principles (not under the law of the treaty country). However, if you are providing Form W-8BEN-E to an FFI solely for purposes of documenting yourself for chapter 4 purposes as an account holder of an account maintained by an FFI (and you are not receiving a withholdable payment), you do not need to complete line 4.

If you are a partnership, disregarded entity, simple trust, or grantor trust receiving a payment for which treaty benefits are being claimed by such entity, you must check the “Partnership”, “Disregarded entity”, “Simple trust”, or “Grantor trust” box. For such a case, you must also check the “yes” box to indicate that you are a hybrid entity making a treaty claim. See *Hybrid entities* under *Special Instructions*, later. You may only check the “no” box if (1) you are a disregarded entity, partnership, simple trust, or grantor trust and are using the form solely for purposes of documenting yourself as an account holder of an FFI and the form is not associated with a withholdable payment or a reportable amount (as defined in Regulations section 1.1441-1(e)(3)(vi)) or (2) you are using this form solely for purposes of documenting your status as the participating payee for purposes of section 6050W. In such cases, you are not required to complete line 4, but you may check the “no” box if you choose to complete line 4. You may also use Form W-8IMY for this purpose. However, if you are receiving withholdable payments or reportable amounts (as defined in Regulations section 1.1441-1(e)(3)(vi)), you are required to provide Form W-8IMY and a withholding statement (if applicable) or a Form W-8 or W-9, as appropriate, if you are a disregarded entity with a single owner with respect to such payments.

Only entities that are tax-exempt under section 501(c) should check the “Tax-exempt organization” box for purposes of line 4. Such organizations should use Form W-8BEN-E only if they are claiming a reduced rate of withholding under an income tax treaty or a Code exception other than section 501(c) or if they are using this form solely for purposes of documenting themselves as an account holder with an FFI. Use Form W-8EXP to document your exemption and chapter 4 status if you are claiming an exemption from withholding under section 501(c).

Line 5. Check the one box that applies to your chapter 4 status. You are not required to provide a chapter 4 status if you are providing this form with respect to a preexisting entity account (as described in Regulations section 1.1471-1(b)(102)) prior to July 1, 2016. Additionally, you are only required to provide a chapter 4 status on this form if you are the payee of a withholdable payment or are documenting the status of an account you hold with an FFI requesting this form. By checking a box on this line, you are representing that you qualify for this classification in your country of residence.

A withholding agent may request your chapter 4 status in advance of this deadline to allow for time necessary to apply the status in its systems. In addition, a withholding agent may still request a chapter 4 status notwithstanding the account holder's determination of its status as a preexisting account for chapter 4 purposes.

For most of the chapter 4 statuses, you are required to complete an additional part of this form certifying that you meet the conditions of the status indicated on line 5 (as defined under Regulations section 1.1471-5 or 1.1471-6). Make sure you complete the required portion of this form before signing and providing it to the withholding agent. See, however, Entities Providing Certifications Under an Applicable IGA under Special Instructions, later.

FFIs Covered by an IGA and Related Entities

A reporting IGA FFI resident in, or established under the laws of, a jurisdiction covered by a Model 1 IGA should check “Reporting Model 1 FFI.” A reporting FFI resident in, or established under the laws of, a jurisdiction covered by a Model 2 IGA should check “Reporting Model 2 FFI.” If you are treated as a registered deemed-compliant FFI under an applicable IGA, you should check “Nonreporting IGA FFI” rather than “registered deemed-compliant FFI” and provide your GIIN. In general, if you are treated as a nonreporting IGA FFI under an applicable IGA, you should check “Nonreporting IGA FFI” even if you meet the qualifications for deemed-compliant status or are an exempt beneficial owner under the chapter 4 regulations. In such cases, you need not also check your applicable status under the regulations but should provide your GIIN on line 9, if applicable. However, an owner documented FFI that is treated as a nonreporting IGA FFI under an applicable IGA must check “Owner-documented FFI” and complete Part X. See the specific instructions for Part XII. An FFI that is related to a reporting IGA FFI and that is treated as a nonparticipating FFI in its country of

residence should check nonparticipating FFI in line 5. An FFI that is related to a reporting IGA FFI and that is a participating FFI, deemed-compliant FFI, or exempt beneficial owner under the U.S. Treasury regulations or an applicable IGA should check the appropriate box for its chapter 4 status.

If you are an FFI in a jurisdiction treated as having an IGA in effect, you should not check “Participating FFI” but rather should check “Reporting Model 1 FFI” or “Reporting Model 2 FFI” as applicable.

See www.treasury.gov/resource-center/tax-policy/treaties/Pages/FATCA-Archive.aspx for a list of jurisdictions treated as having an IGA in effect.

Non-Profit Organizations Covered by an IGA

For purposes of documenting itself as an account holder of an FFI, a non-profit entity that is established and maintained in a jurisdiction that is treated as having in effect a Model 1 IGA or Model 2 IGA, and that meets the definition of Active NFFE under Annex I of the applicable IGA, should not check a box for its status on line 5. Instead, see *Entities Providing Certifications Under an Applicable IGA* under *Special Instructions*, later.

Account That is Not a Financial Account

If you are providing this form to document an account you hold with a financial institution that is not a financial account under Regulations section 1.1471-5(b)(2), check the “Account that is not a financial account” box on line 5.

Line 6. Enter the permanent residence address of the entity identified in line 1. Your permanent residence address is the address in the country where the entity claims to be a resident for purposes of that country's income tax. If you are giving Form W-8BEN-E to claim a reduced rate of, or exemption from, withholding under an income tax treaty, you must determine residency in the manner required by the treaty. Do not show the address of a financial institution (unless you are a financial institution providing your own address), a post office box, or an address used solely for mailing purposes unless it is the only address used by the entity and such address appears in the entity's organizational documents (i.e., your registered address). If you do not have a tax residence in any country, the permanent residence address is where you maintain your principal office.

Line 7. Enter your mailing address only if it is different from the address you show on line 6.

Line 8. Enter your U.S. employer identification number (EIN). An EIN is a U.S. TIN for entities. If you do not have a U.S. EIN, apply for one on Form SS-4, Application for Employer Identification Number, if you are required to obtain a U.S. TIN. See Regulations section 1.1441-1(e)(4)(vii) for when you are required to provide a U.S. TIN on a Form W-8 associated with a payment subject to chapter 3 withholding.

A partner in a partnership conducting a trade or business in the United States will likely be allocated effectively connected taxable income. The partner is required to file a U.S. federal income tax return and must have a U.S. taxpayer identification number (TIN).

You must provide a U.S. TIN if you are:

- Claiming an exemption from withholding under section 871(f) for certain annuities received under qualified plans, or
- Claiming benefits under an income tax treaty and have not provided a foreign TIN on line 9b.

However, a TIN is not required to be shown in order to claim treaty benefits on the following items of income:

- Dividends and interest from stocks and debt obligations that are actively traded;
- Dividends from any redeemable security issued by an investment company registered under the Investment Company Act of 1940 (mutual fund);
- Dividends, interest, or royalties from units of beneficial interest in a unit investment trust that are (or were upon issuance) publicly offered and are registered with the SEC under the Securities Act of 1933; and
- Income related to loans of any of the above securities.

TIP *If you need an EIN, you are encouraged to apply for one online instead of submitting a paper Form SS-4. For more information, visit www.irs.gov/Businesses/Small-Businesses-&-Self-Employed/Employer-ID-Numbers-EINs.*

Line 9a. If you are a participating FFI, registered deemed-compliant FFI, reporting Model 1 FFI, reporting Model 2 FFI, direct reporting NFFE, trustee of a trustee documented trust providing this form for the trust, or sponsored direct reporting NFFE, you are required to enter your GIIN (with regard to your country of residence) on line 9a. However, if your branch is receiving the payment and is required to be identified in Part II, you are not required to provide a GIIN on this line 9a unless such branch is a U.S. branch or a limited branch. Instead, provide the GIIN of your branch (if applicable) on line 13. See the instructions for Part II.

In addition, if you are a sponsored entity that has a GIIN, you must provide that GIIN on line 9a.

For payments made prior to January 1, 2017, a sponsored direct reporting NFFE or sponsored FFI that has not obtained a GIIN must provide the GIIN of its sponsoring entity.

TIP *If you are in the process of registering with the IRS as a participating FFI, registered deemed-compliant FFI, reporting Model 1 FFI, reporting Model 2 FFI, direct reporting NFFE, or sponsored direct reporting NFFE but have not received a GIIN, you may complete this line by writing “applied for.” However, the person requesting this form from you must receive and verify your GIIN within 90 days.*

If you are a sponsored entity that is a nonreporting IGA FFI, see Part XII.

Line 9b. If your country of residence for tax purposes has issued you a taxpayer identification number (TIN), enter it here. If you are providing this Form W-8BEN-E to document yourself with respect to a financial account that you hold at a U.S. office of a financial institution (including a U.S. branch of an FFI), you **must** provide the taxpayer identification number (TIN) issued to you by the jurisdiction in which you are a tax resident unless:

- You have not been issued a TIN, or

- The jurisdiction does not issue TINs.

TIP *Lines 9a and 9b should accommodate the GIIN or foreign TIN, as appropriate. You may need to use a smaller font when completing the form. If the GIIN or foreign TIN does not fit in the space provided, you may provide a GIIN or foreign TIN that is indicated and clearly identified somewhere else on the form, or on a separate attached sheet, as long as the GIIN or foreign TIN is clearly identified as being furnished with respect to line 9a or 9b, respectively. For example, a handwritten GIIN located just outside of line 9a with a corresponding arrow pointing to line 9a is a properly provided GIIN for this purpose.*

Line 10. This line may be used by the filer of Form W-8BEN-E or by the withholding agent or FFI to whom it is provided to include any referencing information that is useful to the withholding agent to document the beneficial owner. For example, withholding agents who are required to associate the Form W-8BEN-E with a particular Form W-8IMY may want to use line 10 for a referencing number or code that will make the association clear. A beneficial owner may also want to use line 10 to include the number of the account for which he or she is providing the form. A foreign single owner of a disregarded entity may use line 10 to inform the withholding agent that the account to which a payment is made or credited is held in the name of the disregarded entity (unless the name of the disregarded entity is required to be provided on line 3).

You may also use line 10 to identify income from a notional principal contract that is not effectively connected with the conduct of a trade or business in the United States.

Part II – Disregarded Entity or Branch Receiving Payment

CAUTION *Complete Part II for a disregarded entity that has its own GIIN and is receiving a withholdable payment, or for a branch (including a branch that is a disregarded entity that does not have a GIIN) of the FFI identified in line 1 operating in a jurisdiction other than the country of residence identified in line 2. For example, assume ABC Co., which is a participating FFI resident in Country A, operates through a branch in Country B (which is a Model 1 IGA jurisdiction) and the branch is treated as a reporting Model 1 FFI under the terms of the Country B Model 1 IGA. ABC Co. should not enter its GIIN on line 9, and the Country B branch should complete this Part II by identifying itself as a reporting Model 1 IGA FFI and providing its GIIN on line 13. Furthermore, if the Country B branch receiving the payment is a disregarded entity you may be required to provide its legal name on line 3. See the instructions for Part I, line 3.*

TIP *If the disregarded entity receiving a withholdable payment has its own GIIN, Part II should be completed regardless of whether it is in the same country as the single owner identified in Part I.*

Line 11. Check the one box that applies. If you check reporting Model 1 FFI, reporting Model 2 FFI, participating FFI, or U.S. branch claiming a chapter 4 status other than

that of nonparticipating FFI, you must complete line 13 (see below). If you are a limited branch or branch of a reporting IGA FFI that cannot comply with the requirements of an applicable IGA or the regulations under chapter 4, you must check “limited branch”.

Line 12. Enter the address of the branch or disregarded entity.

Line 13. If you are a reporting Model 1 FFI, reporting Model 2 FFI, or participating FFI, you must enter the GIIN on line 13 of your branch that receives the payment. If you are a disregarded entity that completed Part I, line 3 of this form and are receiving payments associated with this form, enter your GIIN. Do not enter your GIIN (if any) on line 9. If you are a U.S. branch, enter a GIIN applicable to any other branch of the FFI (including in its residence country).

If you are in the process of registering with the IRS as a participating FFI, reporting Model 1 FFI, or reporting Model 2 FFI but have not received a GIIN, you may complete this line by writing “applied for.” However, the person requesting this form from you must receive and verify your GIIN within 90 days.

Part III – Claim of Tax Treaty Benefits

Line 14a. An entity that is claiming a reduced rate of, or exemption from, withholding under an income tax treaty must enter the country where the entity identified on line 1 is a resident for income tax treaty purposes and check the box to certify that it is a resident of that country.

Line 14b. An entity that is claiming a reduced rate of, or exemption from, withholding under an income tax treaty must check the box to certify that it:

- Derives the item of income for which the treaty benefit is claimed, and
- Meets the limitation on benefits provisions contained in the treaty, if any.

An item of income may be derived by either the entity receiving the item of income or by the interest holders in the entity or, in certain circumstances, both. An item of income paid to an entity is considered to be derived by the entity only if the entity is not fiscally transparent under the laws of the entity’s jurisdiction with respect to the item of income. An item of income paid to an entity shall be considered to be derived by the interest holder in the entity only if:

- The interest holder is not fiscally transparent in its jurisdiction with respect to the item of income, and
- The entity is considered to be fiscally transparent under the laws of the interest holder’s jurisdiction with respect to the item of income. An item of income paid directly to a type of entity specifically identified in a treaty as a resident of a treaty jurisdiction is treated as derived by a resident of that treaty jurisdiction.

Limitation on benefits treaty provisions. If you are a resident of a foreign country that has entered into an income tax treaty with the United States that contains a limitation on benefits (LOB) article, you must complete one of the checkboxes in line 14b. You may only check a box if the limitation on benefits article in that treaty includes a provision that corresponds to the checkbox on

which you are relying to claim treaty benefits. A particular treaty might not include every type of test for which a checkbox is provided. For example, “Company that meets the derivative benefits test” is generally not available to a company resident in a treaty country that is not a member of the EU, EEA, or NAFTA. In addition, each treaty LOB article that contains a specific test listed below may have particular requirements that must be met that differ from the requirements in another treaty with regard to the same test. Accordingly, you must check the relevant treaty LOB article for the particular requirements associated with each test. In general, only one LOB checkbox is required to claim a treaty exemption, even if more than one checkbox would suffice to claim the benefits of the treaty for that item of income.

Each of the tests is summarized below for the general convenience of taxpayers but may not be relied upon for making a final determination that you meet an LOB test. Rather you must check the text of the LOB article itself to determine which tests are available under that treaty and the particular requirements of those tests. See Table 4, Limitation on Benefits, at www.irs.gov/Individuals/International-Taxpayers/Tax-Treaty-Tables, for a summary of the major tests within the Limitation on Benefits article that are relevant for documenting any entity’s claim for treaty benefits. See www.irs.gov/Businesses/International-Businesses/United-States-Income-Tax-Treaties--A-to-Z for a current list of treaties in force.

- Government—this test is met if the entity is the Contracting State, political subdivision, or local authority.
- Tax-exempt pension trust or pension fund—this test generally requires that more than half the beneficiaries or participants in the trust or fund be residents of the country of residence of the trust or fund itself.
- Other tax-exempt organization—this test generally requires that more than half the beneficiaries, members, or participants of religious, charitable, scientific, artistic, cultural, or educational organizations be residents of the country of residence of the organization.
- Publicly-traded corporation—this test generally requires the corporation’s principal class of shares to be primarily and regularly traded on a recognized stock exchange in its country of residence, while other treaties may permit trading in either the U.S. or the treaty country, or in certain third countries if the primary place of management is the country of residence.
- Subsidiary of publicly-traded corporation—this test generally requires that more than 50% of the vote and value of the company’s shares be owned, directly or indirectly, by five or fewer companies that are publicly-traded corporations and that themselves meet the publicly-traded corporation test, as long as all companies in the chain of ownership are resident in either the U.S. or the same country of residence as the subsidiary.
- Company that meets the ownership and base erosion test—this test generally requires that more than 50% of the vote and value of the company’s shares be owned, directly or indirectly, by individuals, governments, tax-exempt entities, and publicly-traded corporations resident in the same country as the company, as long as all companies in the chain of ownership are resident in the same country of residence, and less than 50% of the

company's gross income is accrued or paid, directly or indirectly, to persons who would not be good shareholders for purposes of the ownership test.

- Company that meets the derivative benefits test—this test is generally limited to NAFTA, EU, and EEA country treaties, and may apply to all benefits or only to certain items of income (interest, dividends, and royalties). It generally requires that more than 95% of the aggregate vote and value of the company's shares be owned, directly or indirectly, by seven or fewer equivalent beneficiaries (ultimate owners who are resident in an EU, EEA, or NAFTA country and are entitled to identical benefits under their own treaty with the U.S. under one of the ownership tests included within the LOB article (other than the stock ownership and base erosion test)). In addition, this test requires that less than 50% of the company's gross income be paid or accrued, directly or indirectly, to persons who would not be equivalent beneficiaries.
- Company with an item of income that meets the active trade or business test—this test generally requires that the company be engaged in an active trade or business in its country of residence, that its activities in that country be substantial in relation to its U.S. activities, if the payer is a related party, and the income be derived in connection to or incidental to that trade or business.
- Favorable discretionary determination received—this test requires that the company obtain a favorable determination granting benefits from the U.S. competent authority that, despite the company's failure to meet a specific objective LOB test in the applicable treaty, it may nonetheless claim the requested benefits. Note: Unless a treaty or technical explanation specifically provides otherwise, you may not claim discretionary benefits while your claim for discretionary benefits is pending.
- Other—for other LOB tests that are not listed above (e.g., a headquarters test). Identify the other test relied upon, or enter N/A if the treaty has no LOB article. For example, if you meet the headquarters test under the U.S.-Netherlands income tax treaty, you should write "Headquarters test, Article 26(5)" in the space provided.

If an entity is claiming treaty benefits on its own behalf, it should complete Form W-8BEN-E. If an interest holder in an entity that is considered fiscally transparent in the interest holder's jurisdiction is claiming a treaty benefit, the interest holder should complete Form W-8BEN (if an individual) or Form W-8BEN-E (if an entity) on its own behalf as the appropriate treaty resident, and the fiscally transparent entity should associate the interest holder's Form W-8BEN or Form W-8BEN-E with a Form W-8IMY completed by the fiscally transparent entity (see *Hybrid entities* under *Special Instructions*, later).

An income tax treaty may not apply to reduce the amount of any tax on an item of income received by an entity that is treated as a domestic corporation for U.S. tax purposes. Therefore, neither the domestic corporation nor its shareholders are entitled to the benefits of a reduction of U.S. income tax on an item of income received from U.S. sources by the corporation.

If you are an entity that derives the income as a resident of a treaty country, you may check this box if the applicable income tax treaty does not contain a "limitation on benefits" provision.

Line 14c. If you are a foreign corporation claiming treaty benefits under an income tax treaty that entered into force before January 1, 1987 (and has not been renegotiated) on (a) U.S. source dividends paid to you by another foreign corporation or (b) U.S. source interest paid to you by a U.S. trade or business of another foreign corporation, you must generally be a "qualified resident" of a treaty country. See section 884 for the definition of interest paid by a U.S. trade or business of a foreign corporation ("branch interest") and other applicable rules.

In general, a foreign corporation is a qualified resident of a country if any of the following apply.

- It meets a 50% ownership and base erosion test.
- It is primarily and regularly traded on an established securities market in its country of residence or the United States.
- It carries on an active trade or business in its country of residence.
- It gets a ruling from the IRS that it is a qualified resident. See Regulations section 1.884-5 for the requirements that must be met to satisfy each of these tests.

If you are claiming treaty benefits under an income tax treaty entered into force after December 31, 1986, do not check box 14c. Instead, check box 14b.

Line 15. Line 15 must be used only if you are claiming treaty benefits that require that you meet conditions not covered by the representations you make in line 14 (or other certifications on the form). This line is generally not applicable to claiming treaty benefits under an interest or dividends (other than dividends subject to a preferential rate based on ownership) article of a treaty or other income article, unless such article requires additional representations. For example, certain treaties allow for a zero rate on dividends for certain qualified residents provided that additional requirements are met, such as ownership percentage, ownership period, and that the resident meet a combination of tests under an applicable LOB article. You should indicate the specific treaty article and paragraph or subparagraph, as applicable. You should also use this space to set out the requirements you meet under the identified treaty article.

The following are examples of persons who should complete this line.

- Exempt organizations claiming treaty benefits under the exempt organization articles of the treaties with Canada, Mexico, Germany, and the Netherlands.
- Foreign corporations that are claiming a preferential rate applicable to dividends based on ownership of a specific percentage of stock in the entity paying the dividend and owning the stock for a specified period of time. Such persons should provide the percentage of ownership and the period of time they owned the stock. For example, under the U.S.-Italy treaty, to claim the 5% dividend rate, the Italian corporation must own 25% of the voting stock for a 12-month period.

In addition, for example, if you qualify for and are claiming a zero rate on dividend payments under Article 10(3) of the U.S.-Germany income tax treaty, you should fill out line 15 with “Article 10(3)”, “0”, and “dividends” in the spaces provided. In the space provided for an explanation, you may write that you are the beneficial owner of the dividends, you are a resident of Germany, you have directly owned shares representing 80% or more of the voting power of the company paying the dividends for the 12-month period ending on the date the entitlement to the dividend is determined, and that you satisfy the conditions of Article 28(2)(f)(aa) and (bb) and Article 28(4) of the treaty with respect to the dividends.

- Persons claiming treaty benefits on royalties if the treaty contains different withholding rates for different types of royalties.
- Persons claiming treaty benefits on interest other than the generally applicable rate. For example, under the U.S.-Australia treaty, the generally applicable interest rate is 10% under Article 11(2). However, interest may be exempt from withholding if the specific conditions under Article 11(3) are met.

Parts IV Through XXVIII – Certification of Chapter 4 Status

You should complete only one part of Parts IV through XXVIII certifying to your chapter 4 status (if required, see the specific instructions for line 5). Identify which part (if any) you should complete by reference to the box you checked on line 5. An entity that selects nonparticipating FFI, participating FFI, registered deemed-compliant FFI (other than a sponsored FFI), reporting Model 1 FFI, reporting Model 2 FFI, or direct reporting NFFE (other than a sponsored direct reporting NFFE) on line 5 is not required to complete any of the certifications in Parts IV through XXVIII. If you check “Account that is not a financial account” on line 5, the requester of the form will evaluate whether you must certify to another chapter 4 status.

IGA. In lieu of the certifications contained in Parts IV through XXVIII of Form W-8BEN-E, a reporting Model 1 FFI or reporting Model 2 FFI in certain cases may request alternate certifications to document its account holders pursuant to an applicable IGA or you may otherwise provide an alternate certification to a withholding agent. See *Entities Providing Certifications Under an Applicable IGA* under *Special Instructions*, later.

 **TIP** You are not required to complete a chapter 4 status certification if you are not the payee of a withholdable payment or an account holder holding an account with an FFI requesting this form. However, you are not required to provide a chapter 4 status if you are providing this form with respect to a preexisting entity account (as described in Regulations section 1.1471-1(b)(102)) prior to July 1, 2016.

Part IV – Sponsored FFI

Line 16. Enter the name of the sponsoring entity that has agreed to fulfill the due diligence, reporting, and withholding obligations (as applicable) on behalf of the sponsored FFI identified in line 1.

Enter the GIIN of the sponsoring entity identified in line 16.

Note. A sponsored FFI is not required to have obtained its own GIIN before the date specified in published guidance (i.e. January 1, 2017). However, a sponsored entity that has obtained a GIIN must provide it on line 9a.

Line 17. You must check the applicable box to certify that you are either a sponsored investment entity or sponsored controlled foreign corporation (within the meaning of section 957(a)) and that you satisfy the other relevant requirements for this status.

Part V – Certified Deemed-Compliant Nonregistering Local Bank

Line 18. A certified deemed-compliant nonregistering local bank must check the box to certify that it meets all of the requirements for this certified deemed-compliant status.

Part VI – Certified Deemed-Compliant FFI with Only Low-Value Accounts

Line 19. A certified deemed-compliant FFI with only low value accounts must check the box to certify that it satisfies all of the requirements for this certified deemed-compliant classification.

Part VII – Certified Deemed-Compliant Sponsored, Closely Held Investment Vehicle

Line 20. Enter the name of your sponsoring entity that has agreed to fulfill the due diligence, reporting, and withholding obligations of the entity identified in line 1 as if the entity in line 1 were a participating FFI. You must also enter the GIIN of your sponsoring entity on line 9a.

Line 21. A sponsored, closely held investment vehicle must check the box to certify that it meets all of the requirements for this certified deemed-compliant status.

Part VIII – Certified Deemed-Compliant Limited Life Debt Investment Company

Line 22. A limited life debt investment entity must check the box to certify that it meets all of the requirements for this certified deemed-compliant status.

Part IX – Certified Deemed-Compliant Investment Advisors and Investment Managers

Line 23. An investment advisor or investment manager must check the box to certify that it meets all of the requirements for this certified deemed-compliant status.

Part X – Owner-Documented FFI

Line 24a. An owner-documented FFI must check the box to certify that it meets all of the requirements for this status and is providing this form to a U.S. financial institution, participating FFI, reporting Model 1 FFI, or reporting Model 2 FFI that agrees to act as a designated withholding agent with respect to the FFI identified on line 1. See Regulations section 1.1471-5(f)(3) for more information about an owner-documented FFI, including with respect to a designated withholding agent.

Check either line 24b or line 24c. Do not check both boxes.

Line 24b. Check the box to certify that you have provided or will provide the documentation set forth in the certifications, including the FFI owner reporting statement and the valid documentation for each person identified on the FFI owner reporting statement described on line 24b. If you check the box on line 24b, you should not check the box on line 24c.

Line 24c. Check the box to certify that you have provided or will provide the auditor's letter (in lieu of the information required by line 24b) that satisfies the requirements reflected on this line.

Line 24d. Check the box if you do not have any contingent beneficiaries or designated classes with unidentified beneficiaries. While this certification is not required, a Form W-8BEN-E provided by an owner-documented FFI will remain valid indefinitely for chapter 4 purposes absent a change in circumstances with respect to offshore obligations (as defined in Regulations section 1.6049-5(c)(1)) only if this certification is provided and the account balance of all accounts held by the owner-documented FFI with the withholding agent does not exceed \$1,000,000 on the later of June 30, 2014, or the last day of the calendar year in which the account was opened, and the last day of each subsequent calendar year preceding the payment, applying the account aggregation rules of Regulations section 1.1471-5(b)(4)(iii).

Part XI – Restricted Distributor

Line 25a. A restricted distributor must check the box to certify that it meets all of the requirements for this status.

Lines 25b and 25c. Check the appropriate box to certify as to your status. Do not check both boxes.

A restricted distributor may certify only with respect to an account it maintains in connection with a distribution agreement with a restricted fund described in this Part XI. A restricted distributor that, in connection with such a distribution agreement, receives a payment subject to chapter 3 withholding or a withholdable payment should complete Form W-8IMY and not this form except to the extent it holds interests in connection with such an agreement as a beneficial owner.

Part XII – Nonreporting IGA FFI

Line 26. Check the box to indicate that you are treated as a nonreporting IGA FFI under an applicable IGA, including an entity treated as a registered deemed-compliant FFI under an applicable IGA. You must identify the applicable IGA by entering the name of the jurisdiction that has the applicable IGA treated as in effect with the United States, and indicate whether it is a Model 1 or Model 2 IGA. You must also provide the withholding agent with the specific category of FFI described in Annex II of the IGA applicable to your status. In providing the specific category of FFI described in Annex II, you should use the language from Annex II that best and most specifically describes your status in the IGA. For example, indicate “investment entity wholly owned by exempt beneficial owners” rather than “exempt beneficial owner”. If you are a nonreporting IGA FFI claiming a deemed-compliant status under the regulations, you must instead indicate on this line which section of the regulations you qualify under.

If you are a nonreporting FFI under an applicable IGA because you qualify as an owner-documented FFI under the regulations, do not check “Nonreporting IGA FFI”. Instead, you must check “Owner-documented FFI” and complete Part X rather than this Part XII.

If you are an FFI treated as a registered deemed-compliant FFI under an applicable Model 2 IGA (other than a sponsored FFI) you must also provide your GIIN on line 9a. See www.treasury.gov/resource-center/tax-policy/treaties/Pages/FATCA-Archive.aspx for a list of jurisdictions treated as having an IGA in effect for purposes of making this certification. If you are a sponsored FFI not claiming your chapter 4 status under the regulations, see the requirements of your applicable IGA to determine when you are required to obtain a GIIN.

Note. If you are a nonreporting IGA FFI and you have registered and received a GIIN and have not provided it in line 9a because your trustee's or sponsor's GIIN is in line 9, you should provide it here.

Part XIII – Foreign Government, Government of a U.S. Possession, or Foreign Central Bank of Issue

Line 27. A foreign government or political subdivision of a foreign government (including wholly owned agencies and instrumentalities thereof), government of a U.S. possession, or foreign central bank of issue (each as defined in Regulations section 1.1471-6) must check the box and certify that it satisfies all of the requirements for this status (including that it does not engage in the type of commercial financial activities described on this line except to the extent permitted under Regulations section 1.1471-6(h)(2)).

If you are a foreign government or political subdivision of a foreign government (including wholly owned agencies and instrumentalities thereof), government of a U.S. possession, or foreign central bank of issue, you should only complete this Form W-8BEN-E for payments for which you are not claiming the applicability of section(s) 115(2), 892, or 895; otherwise you should use Form W-8EXP.

Part XIV – International Organization

Line 28a. Check this box to certify that you are an international organization described in section 7701(a) (18).

If you are an entity that has been designated as an international organization by executive order (pursuant to 22 U.S.C. 288 through 288f), check box 28a. If you are claiming an exemption from withholding for purposes of chapter 3, however, use Form W-8EXP.

Line 28b. If you are an international organization other than an international organization described in line 28a, check the box to certify that you satisfy all of the requirements for this status.

Part XV – Exempt Retirement Plans

Lines 29a, b, c, d, e, and f. An exempt retirement plan must check the appropriate box to certify that it meets all of the requirements for this status.

Part XVI – Entity Wholly Owned by Exempt Beneficial Owners

Line 30. An entity wholly owned by exempt beneficial owners must check the box to certify that it meets all of the requirements for this status. You must also provide the owner documentation described in this line establishing that each direct owner or debt holder of the entity is an exempt beneficial owner described in Regulations section 1.1471-6(b).

Part XVII – Territory Financial Institution

Line 31. A territory financial institution must check the box to certify that it meets all of the requirements for this status.

Part XVIII – Excepted Nonfinancial Group Entity

Line 32. An excepted nonfinancial group entity must check the box to certify that it meets all of the requirements for this status.

Part XIX – Excepted Nonfinancial Start-Up Company

Line 33. An excepted nonfinancial start-up company must check the box to certify that it meets all of the requirements for this status. You must also provide the date you were formed or your board passed a resolution (or equivalent measure) approving a new line of business (which cannot be that of a financial institution or passive NFFE).

Part XX – Excepted Nonfinancial Entity in Liquidation or Bankruptcy

Line 34. An excepted nonfinancial group entity in liquidation or bankruptcy must check the box to certify that

it meets all of the requirements for this status. You must also provide the date that you filed a plan of liquidation, plan of reorganization, or bankruptcy petition.

Part XXI – 501(c) Organization

Line 35. An entity claiming chapter 4 status as a section 501(c) organization pursuant to Regulations section 1.1471-5(e)(5)(v) must check the box and provide the date that the IRS issued the organization a determination letter or provide a copy of an opinion from U.S. counsel certifying that the organization qualifies as a section 501(c) organization (without regard to whether the organization is a foreign private foundation).

If you are a section 501(c) organization claiming an exemption from withholding for purposes of chapter 3, however, use Form W-8EXP.

Part XXII – Nonprofit Organization

Line 36. A nonprofit organization (other than an entity claiming chapter 4 status as a section 501(c) organization pursuant to Regulations section 1.1471-5(e)(5)(v)) must check the box to certify that it meets all of the requirements for this status.

Nonprofit organization under an IGA. For an entity that is established and maintained in a jurisdiction that is treated as having in effect an IGA and that is described in Annex I as a nonprofit organization that is an Active NFFE, see *Entities Providing Certifications Under an Applicable IGA under Special Instructions*, later.

Part XXIII – Publicly Traded NFFE or NFFE Affiliate of a Publicly Traded Corporation

Line 37a. A publicly-traded NFFE must check the box to certify that you are not a financial institution and provide the name of a securities exchange on which the stock of the NFFE is publicly traded.

Line 37b. An NFFE that is a member of the same expanded affiliated group as a publicly-traded U.S. or foreign entity must check this box, provide the name of the publicly-traded entity, and identify the securities market on which the stock of the publicly-traded entity is traded. See Regulations section 1.1472-1(c)(1)(i) to determine if the stock of an entity is regularly traded on an established securities market (substituting the term “U.S. entity” for NFFE, as appropriate for purposes of testing whether an entity is publicly traded).

Part XXIV – Excepted Territory NFFE

Line 38. An excepted territory NFFE must check the box to certify that it meets all of the requirements for this classification. See Regulations section 1.1472-1(c)(1)(iii) for the definition of an excepted territory NFFE.

Part XXV – Active NFFE

Line 39. An active NFFE must check the box to certify that it meets all of the requirements for this status, including the assets and passive income test described in the certification for this part. For purposes of applying this

test, passive income includes dividends, interest, rents, royalties, annuities, and certain other forms of passive income. See Regulations section 1.1472-1(c)(1)(iv)(A) for additional detail for the definition of passive income. Also see Regulations section 1.1472-1(c)(1)(iv)(B) for exceptions from the definition of passive income for certain types of income.

Part XXVI – Passive NFFE

Line 40a. A passive NFFE must check the box to certify that you are not a financial institution and are not certifying your status as a publicly-traded NFFE, NFFE affiliate of a publicly-traded company, excepted territory NFFE, active NFFE, direct-reporting NFFE, or sponsored direct-reporting NFFE.

Note. If you would be a passive NFFE but for the fact that you are professionally managed, you should not complete line 40a as you should be considered a financial institution and not a passive NFFE.

If you are an NFFE that may qualify as an active NFFE (or other NFFE described in another part of this form), you may still check line 40a and disclose your substantial U.S. owners or certify that you have no substantial U.S. owners (see instructions to lines 40b and 40c below).

Line 40b. Check this box to certify that you have no substantial U.S. owners.

Line 40c. If you do not check the box and make the certification on line 40b, you must check this box 40c and complete Part XXIX to identify each of your substantial U.S. owners and provide their name, address, and TIN.

Note. If you are an NFFE that is providing Form W-8BEN-E to an FFI treated as a reporting Model 1 FFI or reporting Model 2 FFI, you may also use Part XXIX to report controlling U.S. persons (as defined in an applicable IGA). The references to “controlling U.S. persons” in Part XXVI and Part XXIX apply only if the form is being provided to an FFI treated as a reporting Model 1 FFI or reporting Model 2 FFI.

Part XXVII – Excepted Inter-Affiliate FFI

Line 41. An excepted inter-affiliate FFI must check the box to certify that it meets all of the requirements of this classification. This classification will only apply for an excepted inter-affiliate FFI that holds a deposit account described in the certification for this part and that is documenting itself to the financial institution that maintains the deposit account. You are not eligible for this classification if you receive or make withholdable payments to or from any person other than a member of your expanded affiliated group, other than the depository institution described in the previous sentence. See Regulations section 1.1471-5(e)(5)(iv) for all the requirements of this status.

Part XXVIII – Sponsored Direct Reporting NFFEs

Line 42. A sponsored direct-reporting NFFE must check the box to certify that it meets all of the requirements for this classification. You must also provide the name of your sponsoring entity in the space provided and provide your GIIN in line 9a (or, for payments prior to the date specified in published guidance (i.e. January 1, 2017), you may provide only the GIIN of your sponsoring entity).

Enter the GIIN of the sponsoring entity identified in line 42.

Part XXIX – Substantial U.S. Owners of Passive NFFE

If you identified yourself as a passive NFFE (including an investment entity that is a territory NFFE but is not an excepted territory NFFE under Regulations section 1.1472-1(c)) with one or more substantial U.S. owners in Part XXVI, you must identify each substantial U.S. owner. Provide the name, address, and TIN of each substantial U.S. owner in the relevant column. You may attach this information on a separate statement, which remains subject to the same perjury statement and other certifications made in Part XXX. If you are reporting controlling U.S. persons (as defined in an applicable IGA) to a Model 1 FFI or reporting Model 2 FFI with which you maintain an account that requests such ownership information with this form, you may use this space or attach a separate statement to report such persons.

Part XXX – Certification

Form W-8BEN-E must be signed and dated by an authorized representative or officer of the beneficial owner, participating payee (for purposes of section 6050W), or account holder of an FFI requesting this form. An authorized representative or officer must check the box to certify that you have the legal capacity to sign for the entity identified on line 1 that is the beneficial owner of the income. If Form W-8BEN-E is completed by an agent acting under a duly authorized power of attorney, the form must be accompanied by the power of attorney in proper form or a copy thereof specifically authorizing the agent to represent the principal in making, executing, and presenting the form. Form 2848, Power of Attorney and Declaration of Representative, may be used for this purpose. The agent, as well as the beneficial owner, payee, or account holder (as applicable), may incur liability for the penalties provided for an erroneous, false, or fraudulent form. By signing Form W-8BEN-E, the authorized representative, officer, or agent of the entity also agrees to provide a new form within 30 days following a change in circumstances affecting the correctness of the form.

Broker transactions or barter exchanges. Income from transactions with a broker or a barter exchange is subject to reporting rules and backup withholding unless Form W-8BEN-E or a substitute form is filed to notify the broker or barter exchange that you are an exempt foreign person. See certification described in the 4th bullet point on the form.

You are an exempt foreign person for a calendar year in which:

- You are a foreign corporation, partnership, estate, or trust; and
- You are neither engaged, nor plan to be engaged during the year, in a U.S. trade or business that has effectively connected gains from transactions with a broker or barter exchange.

Special Instructions

Hybrid Entities

Hybrid entity making a claim of treaty benefits. If you are a hybrid entity making a claim for treaty benefits as a resident on your own behalf, you may do so as permitted under an applicable tax treaty. You should complete this Form W-8BEN-E to claim treaty benefits in the manner described earlier (see instructions for completing Part III). If you are a flow-through entity receiving a withholdable payment, you should also provide Form W-8IMY for the entity along with a withholding statement (if required) establishing the chapter 4 status of each of your partners or owners. If you are a disregarded entity claiming treaty benefits, unless you are treated as the payee for chapter 4 purposes and have your own GIIN, your single owner should provide Form W-8BEN-E or Form W-8BEN (as applicable) to the withholding agent along with this form. You may use line 10 to inform the withholding agent to associate the two forms.

Line 1. Enter your legal name (determined by reference to your legal identity in your country of incorporation or organization).

Line 2. Enter the country under whose laws you are created, organized, or governed.

Line 3. Leave this line blank. For purposes of completing this form as a hybrid entity making a treaty claim (including a disregarded entity), you are treated as the beneficial owner and should be identified in line 1.

Line 4. Check the box that applies among disregarded entity, partnership, grantor trust, or simple trust. You must also check the box indicating that you are a hybrid making a treaty claim and complete Part III.

Line 5. Do not complete line 5.

Lines 6 and 7. Complete lines 6 and 7 as provided in the specific instructions, earlier.

Line 8. Complete line 8 in accordance with the specific instructions for line 8, earlier.

Line 9b. If your country of residence for tax purposes has issued you a tax identifying number, enter it here. Do not enter the tax identifying number of your owner(s).

Line 10. This reference line is used to associate this Form W-8BEN-E with another applicable withholding certificate or other documentation provided for purposes of chapter 4. For example, if you are a partnership making a treaty claim, you may want to provide information for the withholding agent to associate this Form W-8BEN-E with the Form W-8IMY and owner documentation you provide

for purposes of establishing the chapter 4 status of your owner(s).

Parts III & XXX

You must complete Parts III and XXX in accordance with the specific instructions above. Complete Part II if applicable.

Foreign Reverse Hybrid Entities

A foreign reverse hybrid entity should only file a Form W-8BEN-E for payments for which it is not claiming treaty benefits on behalf of its owners and must provide a chapter 4 status when it is receiving a withholdable payment. A foreign reverse hybrid entity claiming treaty benefits on behalf of its owners should provide the withholding agent with Form W-8IMY (including its chapter 4 status when receiving a withholdable payment) along with a withholding statement and Forms W-8BEN or W-8BEN-E (or documentary evidence to the extent permitted) on behalf of each of its owners claiming treaty benefits. See Form W-8IMY and accompanying instructions for more information.

Entities Providing Certifications Under an Applicable IGA

An FFI in an IGA jurisdiction with which you have an account may provide you with a chapter 4 status certification other than as shown in Parts IV through XXVIII in order to satisfy its due diligence requirements under the applicable IGA. In such a case, you may attach the alternative certification to this Form W-8BEN-E in lieu of completing a certification otherwise required in Parts IV through XXVIII provided that you: 1) determine that the certification accurately reflects your status for chapter 4 purposes or under an applicable IGA; and 2) the withholding agent provides a written statement to you that it has provided the certification to meet its due diligence requirements as a participating FFI or registered deemed-compliant FFI under an applicable IGA. For example, Entity A organized in Country A holds an account with an FFI in Country B. Country B has a Model 1 IGA in effect. The FFI in Country B may ask Entity A to provide a chapter 4 status certification based on the terms of the Country B IGA in order to fulfil its due diligence and documentation requirements under the Country B IGA.

You may also provide with this form an applicable IGA certification if you are determining your chapter 4 status under the definitions provided in an applicable IGA and your certification identifies the jurisdiction that is treated as having an IGA in effect and describes your status as an NFFE or FFI in accordance with the applicable IGA. However, if you determine your status under an applicable IGA as an NFFE, you must still determine if you are an excepted NFFE under the Regulations in order to complete this form unless you are provided an alternative certification by an FFI described in the preceding paragraph that covers your certification as an NFFE (such as “active NFFE”) as defined in an applicable IGA. Additionally, you are required to comply with the conditions of your status under the law of the IGA jurisdiction to which you are subject if you are determining your status under that IGA. If you cannot provide the

certifications in Parts IV through XXVIII, or if you are a nonprofit entity that meets the definition of “active NFFE” under the applicable IGA, do not check a box in line 5. However, if you determine your status under the definitions of the IGA and can certify to a chapter 4 status included on this form, you do not need to provide the certifications described in this paragraph unless required by the FFI to whom you are providing this form.

Any certifications provided under an applicable IGA remain subject to the penalty of perjury statement and other certifications made in Part XXX.

Entities Providing Alternate Certifications Under Regulations

If you qualify for a chapter 4 status that is not shown in Part I, line 5, of this form, you may attach applicable certifications for such status from any other Form W-8 on which the relevant certifications appear. If the applicable certifications do not appear on any Form W-8 (if, for example, new regulations provide for an additional chapter 4 status and this form has not been updated to incorporate the status) then you may provide an attachment certifying that you qualify for the applicable status described in a particular Regulations section in lieu of checking a box in Part I, line 5, and providing any chapter 4 status certifications included on this form. Include a citation to the applicable provision in the Regulations. Any such attached certification becomes an integral part of this Form W-8BEN-E and is subject to the penalty of perjury statement and other certifications made in Part XXX.

Paperwork Reduction Act Notice. We ask for the information on this form to carry out the Internal Revenue

laws of the United States. You are required to provide the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by section 6103.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is:

Recordkeeping	12 hr., 40 min.
Learning about the law or the form	4 hr., 17 min.
Preparing and sending the form	8 hr., 16 min.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form simpler, we would be happy to hear from you.
